

# ALLEGED A. E. F. HANGING WITHOUT TRIAL CAUSE OF CLASH IN SENATE

Senator Watson, in Presenting Documents to Substantiate His Grave Charges, Was Called to Order By Vice-President Coolidge

AND ORDERED TO OBSERVE SENATE RULES

Watson Produced Letters and Telegrams from Persons Who Offered to Submit Proof of Execution of American Soldiers in France

Washington, D. C., Nov. 3.—Letters and telegrams from persons offering to submit proof of charges that American soldiers overseas were hanged without trial, were presented in the Senate today by Senator Watson, Democrat, Georgia, whose presentation of the original charges in the Senate several days ago resulted in appointment of a special committee of investigation.

One of the telegrams, Senator Watson said, was from a former major in the army and said he could "assist in substantiating the charges." Another, from a resident of Philadelphia, offered to give two photographs similar to that presented recently by Senator Watson as showing a gallows. The Philadelphia, whose name was not made public by the Georgia senator, said he saw one hanging on the Meuse, of a negro in uniform, and could supply "positive proof" of the hanging. The correspondent did not say whether the hanging was after a court martial or not.

In presenting his documents, Senator Watson, with much show of feeling, clashed with several senators and was reminded by Vice-President Coolidge that he should "proceed in order" and observe Senate rules. The vice-president intervened when Senator Watson referred to Senator Moses, Republican, New Hampshire, directly, without use of the usual term, "the senator from New Hampshire."

Senator Watson asked for insertion in the Congressional Record of photographs of alleged hangings in the American expeditionary forces published in a New Jersey newspaper, and Senator Moses, chairman of the printing committee, started to say that printing rules did not permit publication of photographs, when he was cut off by Mr. Watson, who declared the objection was "cowardly."

The Georgia senator again attacked Wadsworth, Republican, New York, who first called the Senate's attention to Senator Watson's charges.

"It is only a few hours," said Mr. Watson, "since I was put on the rack in a most brutal, supercilious manner by the ex-associate of William Barnes, a crook."

Senator Wadsworth did not reply.

Mr. Watson said that a former Georgia soldier was en route here to furnish proof of the hanging charges and that he might appoint him as his secretary so that he might stand by the senator's side in the chamber.

SAYS SEN. WATSON CHARGES FALSE

Captain W. M. Larner Declares Only One Soldier Was Hanged at Givres—That Was After Court Martial.

Cincinnati, Nov. 3.—Captain W. M. Larner, quartermaster corps, Fort Thomas, Kentucky, who was camp quartermaster at Givres, France, and directed the erection of a scaffold mentioned by Senator Thomas E. Watson of Georgia, who told members of the United States Senate that 21 soldiers were "hanged like dogs" from the gallows, in a statement today denied Senator Watson's claims. He declared that but one man had been executed at Givres during the entire war and that man after a regularly constituted court martial.

"Senator Watson has been misled by persons who have permitted their imagination and craving for publicity to overcome their better judgment and sincerity," said Captain Larner.

"The scaffold at Givres was erected by me upon orders of Colonel C. L. Simmons, jr., commander of the 1st Infantry, who was in command of the camp at Givres, for the execution of one man, and one man only. This man, who had been in the regular army previous to the beginning of the World war had been tried by court martial and found to be guilty of murder in the first degree.

"The man had been arrested on a minor charge and, together with another prisoner, was being taken before a summary court. Under pretext of borrowing a match from the military police, the man seized the guard's automatic revolver and shot the military policeman four times. Not satisfied with this he backed the body with a hatchet. The murder was brutal and in cold blood.

"The man was lodged in the stocks at Givres and he was tried by court martial and found to be guilty. His case had sufficient time to have been reviewed by the president. . . .

"The murder was so brutal that the

Louis Tellier, Star Golfer, Ended Life on Brae Burn Course

BODY WAS FOUND IN SHELTER HOUSE

Ill Health Is Believed to Have Been Responsible

Newton, Mass., Nov. 3.—The body of Louis Tellier, Massachusetts open golf champion, was found today hanging by a small rope in a shelter on the links of the Brae Burn Country club. The medical examiner and the police said death was due to suicide.

The motive for suicide was not known, but the fact that Tellier had not been well for some time was advanced by friends as a possible explanation.

Tellier came to this country from France in 1913 to play in the national golf championship tournament at the Country club, Brookline. That club subsequently engaged him as its resident professional and he stayed there until he went to the Brae Burn Country club as professional three years ago.

Tellier was one of the best known professional golfers in the country, and one of the high-ranking players nationally. He had won no titles, however, until the Massachusetts open championship tournament, which he captured this fall.

In France Tellier had acted as professional at the La Boule Golf club, near Paris, before coming here. He was a brother-in-law of Wilfred Reid, now a golf professional at Wilmington, Del., and who, as an Englishman, had preceded Tellier at La Boule.

ULSTER'S PREMIER ACCEPTS INVITATION

Will Go to London to Consult on Questions Connected with Irish Settlement.

London, Nov. 3 (By the Associated Press).—Sir James Craig, the Ulster premier, has accepted the government's invitation, dispatched yesterday, to come to London and consult it as to Ulster's attitude toward the proposals regarding the Ulster boundary and other questions involved in the Irish settlement plan.

Sir James, it is stated, is coming to London to discuss specific plans submitted to the government by the Sinn Fein, of such a character that the government thinks them feasible if Ulster agrees to them. These plans do not, however, embody any agreement definitely reached between the government and the Sinn Fein.

The Ulster premier has said throughout that he would not intervene until such an agreement was reached, but has now consented to discuss the provisional proposals.

THREE CHIEF ISSUES.

Are Left in the Tax Revision Fight in Senate.

Washington, D. C., Nov. 3.—The tax revision fight in the Senate has narrowed today to three principal issues—the soldiers' bonus excess profit amendment; the sales tax and the corporation income tax. Senators in charge of the measure thought these could be disposed of in two days and that the bill could be passed by Saturday night, at the latest.

Consideration of the revenue measure for committee and individual amendments was concluded last night.

Senator Walsh of Massachusetts plans to renew his fight for a corporation income tax so graduated that corporations which have not been making excess profits will not have their taxes increased by 50 per cent, as he contends would happen if the Senate affirms its action in increasing the 10 per cent rate to a flat 15 per cent rate.

SOFT COAL OPERATORS OF INDIANA TO MEET

TO Consider the Strike, in Practically Every Mine in Indiana.

Indianapolis, Nov. 3.—Practically every mine in the Indiana coal field was idle today as the result of a strike of union miners in protest prohibiting the use of the "check-off" system of collecting union dues.

A meeting of the Indiana bituminous coal operators association will be held at Terre Haute to-night.

Halifax, N. S., Nov. 3.—A large vessel, the identity of which is unknown, is on fire 400 miles southeast of Halifax, according to a wireless message received today by the Canadian naval department from the British oil tanker Saxofole.

The message from the Saxofole, which is en route from Port Rade, Haifa, follows:

"S. S. Saxofole, latitude 42-38 north, longitude 33-22 west, encircled wheel on fire. Burning fiercely. No sign of crew. Apparently a large vessel."

STEWART JURY DISCHARGED.

The jury in the case of Eva B. Stewart, administratrix, vs. M. H. McAlister and A. A. Boyce in Washington county court reported a final disagreement and were discharged by Judge Sherman E. Moulton at 1:35 yesterday afternoon. Suit was entered for \$25,000 in connection with the accidental death of William Stewart of Barre, who fell down stairs in the Worthen block, which was owned by the defendants.

DR. H. NELSON JACKSON LEGION VICE-COMMANDER

Burlington Man Elected at Closing Session in Kansas City.

Kansas City, Mo., Nov. 3 (By the Associated Press).—The national convention of the American Legion adjourned here last night after electing Harford MacNider of Mason City, Ia., national commander, selecting other officers and adopting resolutions covering a wide range of subjects. The convention had been in session without a recess since early morning.

The election of Mr. MacNider to succeed John G. Emery of Grand Rapids, Mich., was made unanimously after more than half of the state delegations and seconded his nomination and three other candidates nominated, Roy Hoffman of Oklahoma City, Earl M. Cline of Nebraska City, Neb., and John F. Williams of Joplin, Mo., had withdrawn in his favor.

Rev. Earl Buchanan of Chanute, Kan., a minister of the Christian church—Disciples of Christ—was elected national chaplain.

The following vice-commanders were elected: George L. Perry of Rogersville, Tenn.; H. Nelson Jackson of Burlington, Vt.; and Charles Kendrick of San Francisco, representing the army, and Raymond T. Brackett of Marblehead, Mass., and J. A. McCormick of Fort Lyon, Col., of the navy.

A fight for the removal of the national Legion headquarters from Indianapolis to Kansas City which the Missouri delegation promised in pre-convention bargaining to bring on the floor did not develop.

The election of officers concluded an all-day session marked by debate and wrangling over certain sections of the resolutions committee report. Particularly heated was the discussion of a resolution criticizing severely the French military by Colonel George Harvey, American ambassador to Great Britain, before the Pilgrims' club in London in which Mr. Harvey discussed the reasons why the United States entered the war. The original resolution was thrown out of the report on a roll call vote and a substitute was adopted. The substitute was written in less sharp terms and expressed the belief that the ambassador's remarks did not represent the true feeling for which the American Legion stands. It directed that a copy of the resolution be sent to President Harding.

TALK OF THE TOWN

Peter Always of Montreal, who has been in Barre for some few days, demonstrating a new car, returned yesterday to his home.

Mr. and Mrs. James G. Jackson of Portland, Me., passed yesterday in Barre for a few hours yesterday to inspect the quarries, on their way by automobile from Portland, Me., to Burlington.

William Morris and Jeff Roberts of Burlington were sentenced to serve 10 days each in the county jail, when they were arraigned before Judge John W. Scott, yesterday, charged with drunkenness. They were arrested on Tuesday night.

The annual Red Cross roll call all over the country is to take place from Nov. 11 to 24, and in Barre on Nov. 14. There is still plenty of work for the Red Cross, even though the war is over, and the money collected this month will be used in the support of its present \$6,000,000 medical relief campaign among destitute European children and its permanent program at home. In the past year great work has been done among the children in all Near East countries and last winter, in South Russia and Constantinople, 150,000 refugees were cared for. Medical supplies for hospitals were paid for by a large part of the money spent in Austria, and in Italy the chief work of the Red Cross was assistance given in two earthquakes. In Greece, 50,000 refugees from the Caucasus were assisted with food and clothing, and they were settled down in villages and resumed their normal occupation. It is to carry on such operations as these that the drive for membership, known as the Red Cross roll call, will be put on this month. Remember, the day for this roll call in Barre is Nov. 14.

Barre Red Cross will send to East Boston Friday night, but they are not to hunt for scalps. They are to join the Wachsen tribe in making hay. This will be the first get-together of the newly organized local order of fun-makers and indications are that fun and good fellowship will reign supreme in the affair, which has been set in fine shape for the "dub." There will be a class of over 50 "Wandering Willies" to learn the art of hawking, and there are also a large number waiting until the Barre hayloft is all set.
